Artwork location

An architectural rendering of a modern courtyard. In the foreground, a lush green lawn is partially covered by long, dark shadows cast by trees. A large tree on the left and a smaller one on the right frame the scene. In the middle ground, a series of wide, light-colored stone steps lead up a gentle slope. To the right of the steps, a large, rough-hewn rock sits on the grass. In the background, a multi-story building with a mix of white and light brown panels and rectangular windows is visible. The scene is brightly lit, suggesting a sunny day.
